## Letter from Rev. Jim Porter

Dear Friends and Members of First Pres., Elk Rapids,

It's hard to believe that it has been almost six weeks since Jaime and I travelled to Elk Rapids so that I could preach for all of you before I was able to formally accept God's call to serve as your next Pastor. Jaime and I will always remember that cold and snowy day in April (I think we had two feet of snow!), but also the warm and gracious welcome that we received from all of you on that wintry morning. Without a doubt, you are a hardy bunch with a warm and caring spirit!

A lot has happened since we met you in April:

- 1) We have sold our home in Washington Twp, and have just closed on a home in the Weathertop neighborhood in Milton Twp. It is a beautiful spot, and we are looking forward to moving in!
- 2) We have been busy saying "Good Bye" to all of the good folks here at St. Thomas. We have been pastors here for 20 years and have built a lot of wonderful friendships over the years. And while saying goodbye is hard, we are doing everything we can to ensure a smooth transition for this congregation. Please keep St. Thomas in your prayers as we make the move to Elk Rapids.
- 3) We are starting to pack (it is a BIG job!) and are getting everything ready for our move "up north" to Elk Rapids. While it is a stressful process, we are trusting that God is at work and is watching over us every step of the way!

We were also formally welcomed into the Presbytery of Mackinac on May 10 in Marquette. During worship at the Presbytery meeting, the pastor of the church in Marquette preached a sermon on faith and risk. "Faith IS risk," he said. He is right!

The easy thing to do would be to put our hands in our pockets and maintain the status quo, but that's not what God calls us to do. We believe in a God who beckons us to follow, who calls us to take risks, who challenges us to look for new ways to proclaim the love and grace of Christ in the midst of a dark and troubled world.

*"We are excited about our new adventure in Elk Rapids and all that God has in store."*

That is what has sustained Jaime and I as we prepare for this move. We believe that God is the One who called us. It is the Holy Spirit who nudges us and sometimes pushes and pulls us to follow, so that we might do God's will and proclaim God's love for all the world to hear. We are excited about our new adventure in Elk Rapids and all that God has in store. I am blessed to be called your new Pastor and am looking forward to journeying with you in the days and years ahead.

Please continue to keep us in your prayers as we make this transition, and know that you are in ours! We are looking forward to seeing all of you soon!

Blessings in Christ,

*Pastor Jim*

## Welcome Reverend Jim Porter

On June 11, we will welcome Reverend Jim Porter to the First Presbyterian Church of Elk Rapids. His first Sunday in the pulpit will be June 17.

We are all looking forward to getting to know Jim and his wife Jaime. There will be a variety of social opportunities, large and small. The first will be the July 1 Pig Roast which will be open to the whole community. There will be one service followed by the Pig Roast. We look forward to this chance for our friends and neighbors to meet Jim and Jaime. Please mark your calendars.

There will also be small, in home gatherings, the details of which will be worked out after Jim arrives. Please consider the ways in which each of us can joyfully integrate Jim and Jaime into our church and our community.

# Christian Education & Youth Update

It has been another great month of family ministry in the church. On May 4 the youth provided babysitting for the families of the church. I also had the privilege of working with Melanie Stoll to prepare our children for a fantastic Sunday Morning service on May 13, Mother's Day. I have heard an overwhelmingly positive response to that service. For those of you that enjoy having children lead worship, mark your calendar for July 1. That is the Sunday after Vacation Bible

School (VBS). You'll hear from both our children, about VBS, and our youth, about their mission trip. The youth group has also been making their final push in preparation for our summer, high-school mission trip. We will be departing for Puerto Rico at 11:00 p.m. on June 9. Please continue praying for our students and leaders. I know God is not only going to use them to serve others, but will also use this experience to transform their lives.

I typically use this venue to let you know what we have been doing in family ministry and what we are going to be doing, but this month, I want to do something a bit different. I want to use this opportunity to say thank you; I am so honored to be a part of the family of believers at the First Presbyterian Church of Elk Rapids. I had the privilege of preaching on Sunday, May 27, and I mentioned a need in the life of one of the students in the youth group. Most of you have never met him, and don't even know his name, but your outpouring of love for a stranger reminded me of one of my favorite songs, "Good People" by one of my favorite Christian bands Audio Adrenaline. Specifically the line: *"time has taught me well and I can tell you the good things people do; they really care and I've been there seen it with my eyes you can tell that they're God's people by the goodness in their lives."* This is a family of good people, and I am reminded of that constantly, by the love I see in each of your lives. Thank you!

# VBS Sunday & Pig Roast

## Sunday, July 1

### One Service at 10:00 AM

Make plans now to attend on Sunday, July 1. This one service at 10:00 a.m. will feature children from our Vacation Bible School program as well as highlights from our youth mission trip to Puerto Rico.

After the service we'll move outside for a pig roast and

potluck. Please bring a dish to pass. There will be great food and fellowship, and bounce houses for the children (and young at heart). Invite your family and friends. You won't want to miss this exciting Sunday!
